## 2022 – 2023 VTVLC Pricing Guide

**Traditional Enrollment** *Traditional enrollment has fixed start and end dates similar to a traditional school calendar with access to the complete course catalog. The majority of VTVLC students follow the traditional enrollment option. Students usually choose this option because it is free to our partner school students and fits within the student’s regular school schedule. All courses are taught by Vermont licensed educators.*

Teaching Partner School Students	Non-Teaching Partner School VT Students	Out of State Students
\$0	\$300 / 0.5 credit	\$450 / 0.5 credit

***Semesters include year round, fall and spring.***

**On Demand Enrollment** *On Demand enrollment has flexible start and end dates allowing for a personalized pace with access to an abbreviated catalog. Please refer to our website for a current list of available On Demand courses. All courses are taught by Vermont licensed educators.*

Teaching Partner School Students	Non-Teaching Partner School VT Students	Out of State Students
\$0 / 0.5 credit	\$375 / 0.5 credit	\$500 / 0.5 credit
